

Places to visit

The Martin Mere Wetland Centre in Ormskirk is a great place to visit and has a Neolithic style hut.

For a fun look at dinosaurs try going on the dinosaur safari at Blackpool Zoo.

You could visit the dinosaurs at the World Museum in Liverpool.

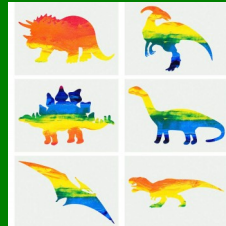

Useful Websites

BBC Bitesize—Great website with information from our topics and support for maths and English.

Topmarks—Lots of maths and English games at different levels.

Things to do

You could find out about stone age homes and make a model.

Try making a stencil, and use it to create a picture.

The Land Before Time

Year 3 Autumn Term

The Land Before Time

Geography/History

Our topic 'The Land Before Time' will look at prehistoric life. Starting with the time of the dinosaurs and moving forwards in time up to the iron age.

Art/Design Technology

We are going to learn about screen printing, quilting and cooking, by making a broth.

PSHE

In PSHE we will think about the importance of rules and responsibilities and learn about healthy lifestyles.

French

We are going to learn classroom commands in French. We will also learn the colours and say how we are feeling.

Maths

In Maths we are focussing on Place Value, Addition and Subtraction and Multiplication and Division. During this term we will focus on our understanding of these topics.

English

In English this term we are looking at traditional tales and fables in the form of The Pied Piper and Aesop's Fables. We will also focus on explanation and discussion texts. In poetry we will find out about shape poems and poems on a theme (Dinosaur poems).

Science

The Science topics this term are Animals including Humans and Rocks. During these topics we will look at nutrition and skeletons and find out about different types of rocks.

Music

In music we will be learning to sing a song, 'Let your spirit fly.' We will also learn to play notes and rhythms on the glockenspiel.

Computing

In computing we are learning to write in code using Scratch and start to fix problems in our programming.

PE

Our topic during this term is dance. We will make up our own routines, work in groups and think about moving with control.

RE

In RE we will focus on Christianity and Islam this term. We will find out key information about the faiths and think about what makes a good role model.
